Refrigeration
and
Air Conditioning
in the
Scottish Highlands,
is just a part of
what we do

Air Conditioning from Network Refrigeration

:: Our Services

- Sales
- Service
- Maintenance
- System design available
- Prompt quotations - free of charge

We carry out work and have **Maintenance Contracts** which cover all aspects of air conditioning.

Our work with air conditioning takes us regularly to **UKAEA** nuclear power station at Dounreay in Caithness.

Both to **maintain** the air conditioning, which s **under contract**, as well as **installing** more than 15 air conditioning systems.

Many using the popular **LG split-level units**, all of which have proved very reliable.

Our business is, keeping you cool
